Mr. Michael Clafin, Executive Director

AHEAD

161 Main Street

Littleton, NH 03561

Dear Mr. Clafin:

The Board of Selectmen wants to thank AHEAD and the many volunteers who participated in the community beautification project you conducted recently as part of your Neighborworks Week. The Grist Mill fountain and Soldier's Memorial in our downtown look wonderful and adds greatly to the current efforts by many residents to improve our town. Your contribution is greatly appreciated.

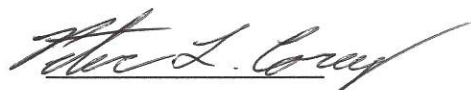

Thank you again.

Sincerely yours,

Board of Selectmen

Wendy Hersom

Mark Lufkin

Peter Corey
